Megamind's childhood, with Incorrect Quotes

This is set before he became Megamind, so he's pretty much not referred to as such.

I dreamed that his real name is M'ren and I love that, so the narrative (such as it is) calls him that.

I love the fanon about him being called Blue, though, so that's what the prisoners/Warden/Wayne/etc know him as.

Sorry if this is confusing.

I could've sworn I had more than this, but apparently not. Well, that ends Part Three! Tune in tomorrow for Part Four :)

Chapter 1: Memorized

I think he's toddler-aged in most of this. Between three and eight, anyways.

M'ren: I did it! I mem-ohriz-ed my textbook, I'm going to ace this test!

Minion: Okay, Sir, just one more question before you go — what ended in 1918?

M'ren: 1917.

Minion: ...You're ready.

Warden: I'm not sure whether to laugh or be worried.

Chapter 2: Mwahahaha

Inmate Otto: Hey, kid, watcha' got there?

M'ren: [holds up steak knife] Pointy!

Inmate Otto: Okay, have fu–

Warden and Minion, in unison: NO!

Chapter 3: Found Family

M'ren: Thanks, dad.

M'ren: ...why is everyone staring at me more than usual?

Minion: Sir, you just called the Warden 'dad'. You said 'thanks, dad'.

M'ren: What? No, I didn't — I said 'thanks, *man*'.

Warden, sincerely touched: Do you see me as a father figure, kid?

M'ren: No! If anything, I see you as a bother figure, because you're always bothering me.

Inmate Leroy: Hey, show your father some respect!

Chapter 4: Tell Me This Didn't Happen (I DARE YOU)

//One of M'ren's first days at school, during recess

M'ren, with his hands cupped together: I found a cool spee-ider!

Minion: Oh? Let me see, Sir.

M'ren, opening his empty hands: ...huh.

Wayne: Where's the spider?

M'ren: [looks troubled and stares at his hands]

Minion: Oh no.

Wayne: Blue, *where's the spider?*

Teacher, running out of the school building: WHY IS THERE A TARANTULA IN MY DESK?!

Chapter 5: My Favorite

Warden: Damn, the power went out.

M'ren: Don't worry, I got this!

M'ren: [vibrates quickly and starts to emit light]

Warden: How are you doing that?

M'ren: I ate a diphenyl oxalate tube.

Minion: Sir, I'm naturally bioluminescent, you didn't have to–

Warden, googling 'diphenyl oxalate': YOU ATE A GLOW STICK?!

Chapter 6: Blatant Favoritism

//At school

M'ren: Why is Teacher making me clean the chalk brushes again? You haven't cleaned them in a week, Wayne!

Wayne: That's because I'm her favorite.

M'ren, coughing because of chalk dust: I hate you.

Chapter 7: Shipper On Deck (Throw Him Overboard)

M'ren, watching two inmates from afar: Two bros, chillin' in a prison. Five feet apart because they think they aren't gay, but they REALLY ARE–

Minion: Sir, how many times do I have to ask you to stop shipping our uncles?

Minion: It's getting *creepy*...

Chapter 8: Uno!

//Several inmates and M'ren are playing poker. M'ren is winning by a long shot.

Inmate Leroy: Aw, come on.

Inmate Otto: It's not fair! The kid doesn't even know what we're playing!

M'ren: Go Fish?

Chapter 9: Troublemaker

Warden: What's the matter, Blue?

M'ren: The shool is having a talent show, but Wayne says my only talent is being stress.

Warden: Do you mean stressed?

M'ren: No.

Chapter 10: Lights Out

Warden: Okay, do you understand the rules of the game?

M'ren: Yep!

Warden: Truth or dare?

M'ren: Truth!

Warden: How many hours did you sleep this week?

M'ren: Dare.

Warden: Go to sleep.

M'ren: ...I don't like this game.

Minion: I do!

Chapter 11: Extinct

This probably only makes sense in my head. I sorta have a mental redesign of him that includes a long tail and clawed feet that make him a digitigrade. And he has slightly-glowing purple/dark blue markings along his head... I'm going to try to draw him soon, but no promises :/

Fun fact: dinosaurs literally aren't extinct, birds are officially recognized as the last living lineage of dinosaurs, not just as having evolved from dinosaurs.

//In school

Wayne: Dinosaurs aren't extinct. I mean, Blue's right over there.

M'ren: *That doesn't even make sense!*

Wayne: Your face doesn't make sense!

Wayne, smirking: Or, at least, your head doesn't.

Other kids: [laugh]

Chapter 12: Rick And Roll!

Inmate Leroy: ♪Never gonna make you cry!♪

Inmate Otto: ♪Never gonna say goodbye!♪

Inmate Leroy: ♪Never gonna tell a lie—♪

M'ren, sleep-deprived and trying to study for finals: I will hurt you.

Inmates Leroy and Otto: ...

Inmate Jeff: ♪Never gonn—♪

Guard Larry: One more word and I'm teaching the kid 'The Song That Never Ends.'

Chapter 13: Three Kids In A Trenchcoat

M'ren: My heart is guarded but like... very poorly. The kind of guards that would let 3 kids in a trench coat into an R rated movie.

Minion: Like Uncle Larry when he lets us watch things on his phone.

Guard Larry: Hey! You liked Jaws!

Warden: Wait, you showed them *what*, now?

Chapter 14: Day Off

Warden: I left instructions for everyone while I'm gone.

M'ren: Mine just says 'Blue, no' and 'ask Minion first'.

Warden: I want you to apply at least one of them to every possible situation.

Chapter 15: Schools Are Evil :(

M'ren: I'm totally useless.

Teacher: No-one is totally useless.

Teacher: You can be used as a bad example.

Chapter 16: Manhunt

M'ren: I got grounded for a whole week just because I came home late.

Wayne: Don't you live in jail?

Minion: We got back just in time for the start of the manhunt.

M'ren: It was so cool, I got to dismantle a *helicopter*!

Wayne: ...

Wayne: How were you only grounded for a *week*?!

M'ren, pouting: Because the Warden is a tyrant.

Chapter 17: Codeword: Hijinks

M'ren: Hey, Warden?

Warden: Yeah, kid?

M'ren: Can a person breathe inside a washing machine while it's on?

Warden: ...

Warden: Where's Minion?

Chapter 18: Grounded For A Month

I almost did this with Roxanne and Megamind instead... Did I make the right choice?

Warden: Is that a gun?!

M'ren: It's not what it looks like!

Warden: It looks like a gun!

M'ren: Okay, maybe it is what it looks like. But in my defense, it ran out of bullets, so I technically can't shoot it anymore.

Warden: ...ANYMORE?!

Chapter 19: First Halloween

M'ren: Boo! Boo, I say!

Warden: Blue?

M'ren: Oh, I am not Blue. I am the scariest thing known to mankind — a failed math test!

Warden: Yeah, okay... I'm just gonna go do my paperwork now...

M'ren: You can run, but it won't be to the college of your choice!

Chapter 20: Aftermath

Warden: Kid, what did you just do!?

M'ren: I took your advice. I stopped running from the problem and I tackled it head on.

Warden: I meant try emotional honesty, not *glitterbombing* your school!

Chapter 21: Cue Laser Trike

M'ren: I wonder if Uncle Otto would be willing to teach me how to escape my cell?

Warden: What are you talking about, kid? You love it here!

M'ren: I'm not sure I do, I think I've just developed Stockholm syndrome.

Warden: ...

Warden, to inmates: How many times do I have to tell you guys that *psychology* textbooks aren't appropriate reading for a *three-year-old*?!

Chapter 22: Minion Is Wise

I wonder how Megamind's life might've gone differently if he'd been homeschooled?

Minion: Maybe letting Sir attend school isn't the best idea.

Warden: Why? Do you think he'll run off or something?

Minion: No, it's not that. But there might be some trouble.

Warden: Minion, it'll be fine. I think Blue's trustworthy enough for this.

Minion: It's not that I don't trust Sir!

Minion: I just... don't trust his impulse control.

Chapter 23: Nerd Diss

M'ren: Hey, you want a tarot reading?

Wayne: Those are Pokemon cards.

M'ren: You got a magikarp.

Wayne: ...

M'ren: It means 'fuck you'.

Chapter 24: Bully For You

M'ren: Do you have a second to talk about—?

Wayne: Do you have a second to eat my farts?

Chapter 25: M'ren Is Horrible (At Swearing)

M'ren: Uncle, we're learning about colors in shool, and I have to know for science; is the opposite of red green or blue?

Inmate Jeff: Uh, technically a mix of green and blue?

M'ren: So blurple.

Inmate Jeff: Well, no, that's implying you're mixing blue and purple.

M'ren: Would you rather have fudging bleen? APPLELOVING GRUE?!

Inmate Jeff: ...

Inmate Jeff: You were confusing before, kid, but now I'm actually a little scared...
