The banter between Megamind and Metro Man in the movie was pretty bad, but can Incorrect Quotes make it worse? Let's find out! 😊

That's it for Part Four! Tune in tomorrow for Part Five, same bat-time, same bat-channel!
(Though it won't be at the exact same time, sorry)

Chapter 1: Yahoo!

Wayne: I have no idea what to do.

Megamind: What else is new?

Wayne: Oh, wait! Yahoo Answers!

Megamind: ...

Megamind: Okay, now I know you're messing with me.

Chapter 2: Nachos

Wayne: You are now one day closer to eating your next plate of nachos.

Megamind: I want to call you an idiot, but that's the most hopeful thing I've ever heard.

Chapter 3: Not So Above It All

Megamind: The first time you opened a box of Cheerios, you looked inside and yelled 'OH WOW! DONUT SEEDS!!'

Wayne: Yeah, well you're the one who tried to *plant them*.

Megamind: I was trying to help Minion start a garden!

Wayne: ...

Megamind: Uh, I mean...

Megamind: I was mocking you?

Chapter 4: Grudges

Wayne: Hey, little buddy!

Megamind: Leave before there's a terrible understanding between my foot and your ass.

Chapter 5: Oops

Wayne: I am an expert at identifying birds.

Megamind: Really? What about those ones over there?

Wayne: Yep, those are definitely birds alright.

Megamind: Ha! No, they aren't! They're Brainbots, moron!

Megamind: No, wait, the Brainbots aren't here yet; those really are birds.

Wayne: HA!

Chapter 6: Nope-nopity-nope-nope-NO

Wayne: Hey, little buddy, can you do me a favor?

Megamind: Sorry-not-sorry, but I have to go do litter-rally anything other than this.

Wayne: It's literally.

Wayne: And you don't even have a reason?

Megamind: No, I do.

Wayne: Well? What is it?

Megamind: You see, I *hate* you.

Chapter 7: Or Treat

Metro Man: You tricked me!

Megamind: I *deceived* you. ‘Trick’ makes it sound like we have a friendly relationship.

Chapter 8: Zero Hero

Megamind: If you could guess, how many brain cells do you have?

Wayne: Dorito's cool ranch.

Megamind: ...

Megamind: Okay, I'm just gonna assume zero for now.

Wayne: I love that song!

Chapter 9: Slam Dunk

Wayne: Can you recommend a book that'll make me cry?

Megamind: General Mathematics 8th Grade Edition.

Chapter 10: You Don't Say?

Wayne: You might not know this, little buddy, but I am a flawed person.

Megamind, sarcastically: No! Reeaaaally?

Chapter 11: For The Love Of The Game

Megamind: Metro Mahn, can I ask you a ques-tin?

Metro Man: You can ask me a question, sure.

Megamind: Why don't you go back to your own house and leave us alone?

Metro Man: ...I want to say it's because you're threatening the mayor.

Metro Man: Honestly, though, I'm just bored and you look *really funny* when you're angry.

Chapter 12: There Are No– YES THERE ARE

Wayne: Can I ask a dumb question?

Megamind: Better than anyone I know.

Chapter 13: Canon

Megamind: BE A BETTER PERSON!

Music Man: WHY?!

Megamind: BECAUSE SOMEONE NEEDS TO HAVE MORALS IN THIS NEMESIS-SHIP, AND IT SURE AS FUCK AIN'T GONNA BE ME, JACKASS!

Chapter 14: Geniuses Just Wanna Have Fun

Megamind, piloting a giant battle bot: [to Metro Man] I came out here to have a good time and I'm oh-nest-aly feeling so attacked right now.

Chapter 15: Gaslight (Just Sayin')

Funeral or war meeting to discuss what to do about Tighten? You decide.

Megamind: We are gathered here today because someone– [glares at Metro Man's coffin] –couldn't stay alive!

Chapter 16: Metro Man Comes Out (It Does Not Go Well)

Things you shouldn't have to be warned to avoid: coming out to your Supervillain rival and accidentally making him angry because he thinks you're leading the damsel on.

Megamind: Do you support gay rights?

Wayne: I'm literally gay.

Megamind: You're avoiding the ques-tin!

Megamind: ...aren't you dating Miss Ritchi?

Wayne: Uhh... I can explain?

Megamind, glaring: You might want to run now.

Chapter 17: No Cutting

Metro Man: I'm gonna kill you.

Megamind: Get in line!

Chapter 18: This Could've Ended Differently

Wayne: Bonjour, little buddy. Voulez-vous coucher avec moi?

Megamind: No, I don't want to sleep with you.

Wayne: Is that what that means? Oh, man, I had a really gross tennis instructor.

Chapter 19: Daddy-O

Do people actually take Advil for headaches? That seems a little overkill, doesn't it?

Wayne, with a headache: Advil me up, daddy-o.

Megamind: I will short out the language centre of your brain if you say *anything* like that ever again.

Chapter 20: Water Under The Burning Bridge

Wayne: Hey bestie–

Megamind: Fuck off.

Wayne: What did I do to you– you know what, actually, please don't answer that.

Megamind: Too late. Do you want me to list it chronologically or by level of trauma induced?

Chapter 21: Not-Urnal

Wayne: Megamind is not a morning person. Or a night person. There's really only about seven minutes a day you are remotely fun to be around.

Megamind, grinning: The best part is that you never know when they're coming.

Chapter 22: Nutshell

Metro Man: I'm invincible, you'd be stupid to lay a hand on me.

Megamind: Oh, you'd be surprised how much stupid shit I do.

Chapter 23: Against All Odds

//After several explosions and a mishap with a sonic buzzsaw

Metro Man: How the Hell are you still alive?

Megamind, wielding a sword somehow made of grenades: Honestly, I'm just as confused as you are.

Chapter 24: Soulrivals

Metro Man, fighting a different Supervillain: Ha! Don't you know the trappers trap can trap the trapper?

Wayne: I must be losing it, I'm quoting Megamind. Why must all the other villains be so boring?

Supervillain: Hey!

Metro Man: Shut up, loser. [punches him] Eh, it's just not the same...

Chapter 25: Turnabout Is Fairplay

Wayne: Why are you always trying to aggravate me?

Megamind: To relax.

Wayne: Seriously?

Megamind: And rev-ahnge.

Wayne: Revenge. Okay, I guess that–

Megamind: And you make this really funny face when you get angry.

Wayne: ...I hate you.

Megamind: It wouldn't be as much fun if you didn't.

Chapter 26: Lessons

Megamind: I learned a valuable lesson from this.

Metro Man: I'm guessing it is a horrible distortion on the lesson you actually should've taken away...

Megamind: DEATH ISN'T REAL AND I AM BASICALLY GOD!

Metro Man: ...

Megamind: Or, well, the Devil. Cause Evil.

Metro Man: At least that's better than the lesson you learned last time.

Megamind: I still think nuking the moon is our only option.

Chapter 27: Chase

Metro Man: Where do you think you're going?

Megamind, on Hoverbike: Hell, eventually!

Chapter 28: Vacation?

Wayne knew exactly what he was asking.

Why are they traveling together? Don't know, but it probably involves Roxanne and/or Minion.

//The squad has just arrived in a new city. Megamind looks around at the wanted posters to see if he's on any of them.

Wayne: Megamind, are you a criminal?

Megamind: Not here, I'm not!

Wayne: Good, I'm so not up to arresting you on my day off.

Megamind: You might want to avoid looking in my suitcase, then.

Chapter 29: Totally How That Went Down

Megamind: So you falsified your demise because you feel unfulfilled and taken advantage of?

Music Man: I wouldn't put it in those words exactly.

Megamind: Why not?

Music Man: Because I don't know what they mean.

Chapter 30: Messing With A Hero's Head

Megamind: I'm taking a look at your numbers, and it doesn't look good. You have a lot of meza-ruments. Quite a few very-ables.

Wayne: Is that... bad?

Megamind: Very-ables are the #1 risk factor for outcomes. The past is a big contra-butohr to the future.

Wayne: Isn't that just, uh... causality?

Megamind: Casa-looty is the leading cause of death in this country.

Wayne: So what are my odds?

Megamind: Do you have a family hiz-story?

Wayne: Of what?

Megamind: Just, in general.

Wayne: ...Probably?

Megamind: Oh no.

Chapter 31: Banter

Metro Man: While you were caught up in your heterosexuality, I studied the way of the laser eyes!

Megamind: Yet you still keep missing. [dodges]

Chapter 32: Acquired Tastes

Wayne: Oh man, you have any shaving cream?

Megamind: No, I don't like the way that it tastes.

Wayne: Wait... you eat shaving cream?

Megamind: Why would I eat it if I don't like the taste?

Chapter 33: Abduction

Wayne: I'm serious! They're watching me! They've even got an agent following me! Don't you believe me?

Megamind: Look, it's not that I don't believe you... It's that I don't believe you *and* I don't care.

Wayne: Come on, dude, I'm an alien too — what if they lock me up in a secret lab or something?

Megamind: You didn't care when that happened to me.

Wayne: When the fuck did that happen to you?

Megamind: Seriously?! I missed an entire sam-ahster of shool!

Wayne: *Semester* of school. I thought you were sick! How in the world was I supposed to know you were in a government blacksite?

Megamind: Oh, how about BECAUSE WE'RE FUCKING ALIENS?!

Megamind: Always assume government blacksite, you moron!

Wayne: ...

Wayne: Listen, are you helping me or not?

Megamind: Fine, but only because Minyon's making me take a break from evil plots this week.
