Megamind Incorrect Quotes starring more than two people (for the most part).

The final part of this series!

Now updated with fanart in the final chapter.

Chapter 1: Deep Cover

Roxanne: Wayne! We thought you were dead!

Music Man, panicking: Nope! Just, um... In deep cover.

Megamind: You were hit by a death ray.

Music Man: It was very deep?

Chapter 2: Taking You Down With Me

Wayne: I'm not that stupid!

Roxanne: I want to believe you, Wayne, but you literally just ate the wax from a babybel.

Megamind: [tries to stifle laughter]

Wayne: BLUE TOLD ME IT WAS EDIBLE!

Roxanne: He *what*?

Megamind: Ah, shit.

Chapter 3: Hardened Criminals

Wayne: What's the most illegal thing you can do for a dollar?

Roxanne: Exchange it for a hundred pennies, put them in a sock, and beat someone with it.

Megamind and Minion: [burst into laughter]

Megamind: [wheezes] I'm sorry, but that isn't even close to the most ill-legal thing you could do.

Minion: 'Beat someone with it' — you're hilarious, Miss Ritchi!

Chapter 4: Wile E Coyote But Blue And Fish

//One of the earliest kidnappings

Minion, entering the Lair: Hello, Sir, how's the plot going?

Megamind: I hit my head three times, I blew up my favorite shirt, and I forgot my cape at the prison.

Minion: Oh, okay! That's pretty good.

Megamind: Yup!

Minion: I lost the Disguise Watch so I couldn't steal groceries, and the Invisible Car got a flat.

Megamind: Hey, not bad compared to last week.

Minion: I know, right?

Roxanne: ...

Roxanne: Are they okay?

Metro Man: Not as long as I've known them, no.

Chapter 5: Set Up

Roxanne: Wayne, are you free on Wednesday?

Wayne: Yeah, Roxie, if you need me to be.

Roxanne: What about you, Megamind?

Megamind: Sadly, I have to–

Minion: His schedule's clear.

Roxanne: Great! I'm working that day, but you two have got a joint therapy with an excellent childhood trauma expert that owes me a favor. Noon sharp, don't be late!

Megamind: She can't just do that!

Megamind: ...can she?

Wayne: I think she just did.

Chapter 6: Hyperactive

Metro Man: Megamind is restricted to decaf for the rest of this adventure.

Megamind: You aren't the boss of me, Wayne.

Metro Man: Okay, we'll vote. All in favor, say 'ay'.

Roxanne: Ay.

Megamind: Hey!

Minion: Ay.

Megamind: SERIOUSLY!?

Chapter 7: How Megamind Fell In Love

//Another early kidnapping

Roxanne: Wayne's a jerk.

Megamind, wary: I'm well aware, Miss Ritchi.

Roxanne: I want to prank him, but I need you and Minion to help.

Megamind: ...what.

Roxanne: And by 'help', I mean 'prank him for me'.

Megamind: ...What?

Minion: We'd love to, but we're in the middle of a plot right now. Sir should be back out of jail by next week, though, if that's good for you?

Roxanne: Sure, Minion. Thanks.

Minion: Of course, Miss Ritchi. Sir, the plot's starting.

Megamind, staring at Roxanne: [turns away quickly, blushing] Ha! Right, yes, Evil!

Chapter 8: 2 + 2

Roxanne, to Metro Man: I have a problem.

Megamind, busy being shoved into a police car but unable to resist the impulse to chime in: If it's harder than $2 + 2$, maybe you should ask for help elsewhere, Miss Ritchi!

Metro Man: Hey!

Roxanne: Don't worry, it's simple enough for him to handle!

Metro Man: I'M STANDING RIGHT HERE!

Chapter 9: Destiny

Wayne: Who knew getting in trouble would be so impossible?

Roxanne: I have to give you credit, Megamind, you make it look easy.

Megamind, proudly: Years of practice.

Chapter 10: Raising Three Alien Men

Roxanne: Well, what do you three have to say for yourselves?

Metro Man: ...

Minion: ...

Megamind: ...Oops?

Chapter 11: Silver Linings

Wayne: Did you like the food I made?

Megamind: No, not really.

Wayne: But I put my heart and soul into it!

Megamind: No wonder it tasted so cold and bitter.

Roxanne: I asked you two to behave for *one night*. Is that really so difficult?

Wayne and Megamind: Yes.

Minion: Look at the bright side, Miss Ritchi; at least they agree on something.

Chapter 12: Are You Sure?

Roxanne: We call that a traumatic experience.

Roxanne, turning to Wayne: Not a 'bruh moment'.

Roxanne, turning to Minion: Not 'sadge'.

Roxanne, turning to Megamind: And definitely not an 'oof LMAO'.

Chapter 13: Pronunciation

This Incorrect Quote just SCREAMED 'making fun of Megamind'.

Wayne: Hey, guys!

Megamind: Ugh, you again.

Wayne: Roxie, check out this funny .GIF I found!

Roxanne: It's pronounced 'jif'.

Wayne: Huh?

Roxanne: 'Dot jif', like the peanut butter. The creator said so.

Wayne: That's dumb, it's Graphics Interchange Format.

Megamind: Since when do you know stuff like that?

Roxanne: The P in .JPEG stands for 'photographic', but I bet you don't say 'J-pheg'.

Megamind: Wait, it's not pronounced j-ph-?

Wayne: 'P' on its own doesn't sound like 'F', that's totally different!

Roxanne: It's exactly the same!

Wayne: Name one word that starts with 'G' pronounced like 'J'.

Megamind: Gyrosc-

Roxanne: Gentrification.

Wayne: Shoot, should have thought of that. I was just in San Francisco.

Roxanne: For your logic to be consistent, you'd have to say 'skuh-bah' or 'lah-seer'!

Megamind: Hey, that's-

Wayne: Yeah? Well, you'd have to say 'J-pej'!

Wayne: ...Wait, 'laser' is an acronym?

Megamind: I'm not even going to try with this one.

Roxanne: Light Amplification by Stimulated Emission of Radiation.

Wayne: Huh. Didn't know that.

Wayne: You're still wrong, though.

Roxanne: You just hate me because I'm right.

Wayne: I just hate you in general.

Megamind: You don't hate her *at all*!

Roxanne: You mean in 'geh-neral'?

Wayne: Ugh, I'm 'joing' to get you for that!

Megamind: ...

Megamind: Fuck you both.

Minion: Sir, I don't think they're doing it on purpose.

Roxanne and Wayne: We are.

Chapter 14: Pluto Is Best Boy

Wayne, to Megamind: One universe, nine planets, seven seas, seven continents, and I had the unfortunate luck of meeting you.

Roxanne: Hey, that's not very nice–

Megamind: There are only eight planets in this soh-lar system, you uncultured swine!

Roxanne, turning on Megamind: VIVA LA PLUTO, FUCK YOU!

Megamind: [confused alien noises]

Chapter 15: The Universe's Sense Of Humor (Is Rarely Kind)

Roxanne: Why is Megamind crying on the floor?

Minion: Sir took one of those 'What Famous Person Are You?' quizzes.

Roxanne: And?

Minion: He got Metro Man.

Chapter 16: Difference In Opinion

Megamind: You deserve a reward for putting up with me.

Minion: You are my reward, Sir.

--meanwhile--

Metro Man: You deserve a reward for putting up with me, Roxie.

Roxanne: True, you can be really difficult at times.

Chapter 17: Vegetarian's Plight

Roxanne: Plants have feelings too?! What is this? Now I can't have food!

Minion: You can eat rocks, become a petravore.

Wayne: Or try the air diet.

Megamind: Depending on how much you care about personal safety, I think I might have figured out a way to survive solely on the fabric of time and space.

Roxanne: You guys are not helpful.

Roxanne: Interesting, but useless.

Chapter 18: Luv

Minion: Sir, do you love Roxanne?

Megamind: Yes, I do.

Minion: Mr Scott! I told you, I knew it! You owe me 100 bucks!

Wayne: We all love Roxanne. You should've asked if he's IN love with her.

Megamind: I thought that was implied.

Wayne: ...

Minion: ...

Megamind, looking straight at Wayne: Congrats, Minyon, you just won 100 dollars.

Chapter 19: Thoughts On Stabbing

Wayne: [Would never stab anyone.]

Megamind: [Would stab someone in retaliation.]

Minion: [Would stab without warning.]

Roxanne: [Would stab as a warning.]

Chapter 20: Orange

Roxanne: Are oranges named orange because oranges are orange or is orange called orange because oranges are orange?

Wayne: Which came first, the orange or the orange?

Megamind: Orange was originally used to refer to the fruit. Over time, humans started calling things of a similar color to said fruit 'orange'.

Roxanne: so what was the color called before then?

Megamind: Mostly, people just thought of it as being various shades of red and yellow. Think of how teal is pretty much just blue-green.

Wayne: Huh. And here I thought everything was just black and white back then! Who knew?

Wayne: You're a genius, little buddy.

Megamind: ...

Megamind: I can't decide whether to mock you or cry.

Chapter 21: Calculations

Gay! Wayne can still make jokes like this, right? ;)

This is one of my favorite jokes ever

I'd like to clarify that I hate the trope of women smacking men for minor offenses, but Wayne's literally invulnerable so I find this example fine.

Wayne: Roxie! I can't do this stupid math!

Roxanne: What's the math problem?

Wayne: Well, we have to add the bed, subtract the clothes, divide the legs, and hope we don't multiply.

Minion, covering Megamind's ears, while Roxanne smacks Wayne upside the head: Not going to lie, Mr Scott, that was hella smooth.

Chapter 22: Games

Wayne: Truth or dare?

Megamind: Truth.

Wayne: Do you–

Roxanne: I dare you to kiss me...

Megamind: [kisses Roxanne]

Wayne, to Minion: He picked 'truth', right?

Minion, shrugging: We aren't very good at this game.

Chapter 23: Bi ≠ Straight

Wayne: The only straight I am is a straight-up badass.

Minion: Is there anyone here who's actually straight?

Roxanne: [raises hand]

Megamind: [pushes her hand down]

Chapter 24: The End (For Now)

Well, that's all folks!

This week has actually been a lot of fun, I might do more of these in the future. I hope you all enjoyed it! 😊

Roxanne: Guys, I need help.

Minion: Financial help?

Wayne: Emotional help?

Megamind: Help framing that bitch from work you're always complaining about?

[Everybody looks at Megamind]

Megamind: What?

Chapter 25: Fanart

I don't know why, but this is how (child) Megamind looks in my head, though the details aren't perfect. The doodle on the side is my attempt to figure out how he'd use boots to hide his unusual feet.

I think the markings would glow softly, and he has gills hidden on his neck and/or sides.

This took me 39 minutes, and I'm relatively proud of it. 😊
