Incorrect Quotes with the Madrigal family

(Not a werewolf AU, though technically has nothing that contradicts such)

Chapter 1: Canon

Bruno, singing: ♪Seven foot frame, rats along his back–♪

Camilo: Ay dios mío, STOP

Bruno, singing louder: ♪When he calls your name, it all fades to black!♪

Camilo: YOU WEREN'T SUPPOSED TO LIKE IT!!

Chapter 2: Sibling, Centaurs, Shenanigans

And then they immediately get caught, because Bruno has over 46 years of experience functioning during mindbreaks.

Dolores: We need to distract Tio Bruno.

Camilo: Leave it to me.

Camilo: Centaurs have six limbs and are therefore insects.

Bruno: [immediately has a mindbreak]

Antonio: Actually, to be insects they'd also have to–

Camilo: Shut up and move it before his brain fixes itself.

Chapter 3: His Entire Personality

Pretty much the lesson of the movie, now that I think about it...

Camilo: Mirabel likes to say 'you can be part of the problem or part of the solution', but I happen to believe you can be both.

Chapter 4: Irresistible Adorableness

Isabela: WHO ATE MY CUPCAKE?!

Isabela: I'M GOING TO FUCKING—

Antonio: I did it.

Isabela: –kiss you and buy some more, you haven't been eating enough today, Tonito.

Isabela: [kisses his forehead and walks away]

Antonio: ...

Antonio: She's gone, hermano.

Camilo, coming out of the closet with frosting on his face: *Thank you!*

Chapter 5: No, Wait, THIS Is His Entire Personality

Camilo: I just wanna be called cute 21/7.

Bruno: Why not 24/7?

Camilo: Snack breaks.

Chapter 6: Visions

Bruno: Things will get better!

Encanto Villagers, hopeful: ...really?

Bruno: Okay, no.

Bruno: BUT, they will be terrible in new and interesting ways!

Chapter 7: Maybe His Personality Is Complex

Mirabel: Can you be serious for five minutes?

Camilo: My record is four, but I think I can do it.

Chapter 8: I'm Done With The Personality Thing, This One's Called 'Busted'

Camilo: This is so much fun, it should be illegal!

Alma, coming out of nowhere: It is.

Camilo: ...if I shift into Dolores right now, will you blame her instead?

Alma: No.

Camilo, shrugging: Eh, worth a shot.

Chapter 9: That's It, That's The First $\frac{3}{4}$ Of The Movie

Mirabel: How are you today?

Everyone else in the family: Please don't make me think about my life.

Chapter 10: Rude

Camilo: I don't mean to be rude—

Bruno, entirely serious: Yet, sadly, accidental rudeness occurs alarmingly often.

Chapter 11: Rats

You notice that none of the Madrigals go to school? I like that.

Mirabel: I was voted “friendliest classmate” in high school.

Camilo: I was voted “most likely to become a clown”.

Bruno: I was voted “most likely to get rabies”.

Mirabel and Camilo: ...

Camilo: Yeah, he wins.

Mirabel: Yep.

Chapter 12: A Brief Explanation Of Their Personalities

//The family is shopping, and a child starts crying in the market

Isabela: [rolls eyes to the sky]

Dolores: [puts on earmuffs and runs away]

Pepa: [too busy dealing with her own mental health to notice]

Bruno: [starts crying too because he's the reason they're crying]

Julieta and Agustin: [forget to do anything to help because they're too busy cooing at the memory of their own kids being that age]

Antonio: [starts crying in the sacred toddler ritual of sympathy]

Felix: [panics because Antonio's crying]

Luisa: [is paralyzed from not knowing what to do]

Alma: [tells the baby to stop crying for the sake of its mother]

Mirabel: [pushes most of her family away from the scene so the mother can calm her child without a bunch of crazy magic people making the baby more upset]

Camilo: [makes funny faces and successfully cheers them up]

Chapter 13: I Lied, I'm Not Done With The Personality Thing, This Is His Personality

Isabela: Why are you always trying to aggravate everyone?

Camilo: To relax.

Chapter 14: Exactly What Happened

Alma: I left instructions for everyone for Antonio's Gift Ceremony.

Mirabel: Mine just says "Mirabel no."

Alma: I want you to apply it to every possible situation.

Chapter 15: I Actually View Alma A Lot Better Than This, This Is Just Really Funny

Alma: Whatever happened to the concept of less is more?

Mirabel: THAT DOESN'T APPLY TO HUGS

Chapter 16

Someone, to the family: I'd die for you.

Pepa, having a bad day: Then perish.

Alma, sad: You will.

Bruno, upset: Please don't.

Camilo, distracted: Cool.

Luisa, entirely serious: I'd die for you first.

Chapter 17

Camilo: You didn't cry when bambi's mother died?!

Isabela, sarcastically: Yes, it was very sad when the guy stopped drawing the deer.

Chapter 18: I'm So Glad I Didn't Stop The Personality Thing, Because May I Present

He's a shapeshifting teenaged boy, his appetite is through the roof, half his personality is food and ways to procure it — you cannot change my mind.

Mirabel: Please can we stop fighting?

Camilo: 3 words, 8 letters. Say it, and I'll forgive you.

Mirabel: I got food.

Camilo, grinning: You know me so well.

Chapter 19: Before The Movie

Camilo: You worried about how Tio Bruno's handling the renovations? He seemed pretty panicked about his hidey hole being discovered...

Dolores: Yeah, he knocked on my wall in the middle of the night and just muttered, "what do I do, what do I do, what do I do, what do I do?"

Camilo: And what'd you say?

Dolores: "I dunno, I dunno, I dunno, I dunno."

Camilo: ...

Camilo: He's lucky to have you as a confidant.

Chapter 20: You Know I Have To Do It: Precisely His Personality

Camilo: Do you guys want to see a butterfly?

Mirabel: Ooh, yes please!

Isabela, taking care of her plants: I'm not going to stop working to look at a stupid bug!

Camilo: It's not a bug though...

Isabela: ...

Mirabel: ...

Isabela: Well I still don't want to see.

Mirabel, realizing: Please don't throw–

Camilo: Whee! [throws a stick of butter]

Chapter 21: Club Insomnia

Dolores: I haven't slept in seventy-three hours.

Camilo: Eighty. Democratically elected leader of insomnia.

Bruno: Kid, it's been ninety for me. I'm going for an even one hundred.

Mirabel: You guys are terrifying.

Chapter 22: Bonding

Camilo: I can beat anyone in Rock, Paper, Scissors. You go first.

Bruno: Rock.

Camilo: Paper.

Bruno: [gasps]

Chapter 23: Having A Fight As 4yo's

Camilo: Anything else?

Mirabel: Yeah. Stay away from me!

Camilo: Alright. See you in the room we share.

Chapter 24: Sweet Baby, Protect Him

Bruno: [is curled in a corner crying]

Julieta: Hermano? What's wrong?

Bruno, sobbing: *The rats like Antonio's room better than mine!*

Chapter 25: The Rats Told Me Everything: How Antonio Found Bruno And Mirabel

Rat: ...then The Green One Who Gives Snuggles opened up the great caves within the walls and led my brethren into hiding to protect The Butterfly Without Wings.

Antonio: Uh-huh. And you went with him because..?

Rat: He had given us many snuggles and snackies over the years, we wanted to help him in turn.

Rat: He was sad. He needed us.

Antonio: Makes sense to me. Where is he now?

Rat: The Green One and The Butterfly are talking in the Comfy Cave.

Antonio: Can you lead me there?

Rat: Why would I?

Antonio: I want to meet my Tio Bruno.

Rat: Hmm...

Antonio: And I'm told I'm very huggable, so I'm sure I'll cheer him up!

Rat: He *has* often talked of wanting to hold the tiny humans...

Rat: Okay, follow me!

Chapter 26: Ta-da! The Entire Movie!

Mirabel: You've given us all intense anxiety.

Alma: No I haven't.

Mirabel: Here, I'll show you.

Mirabel, to the family: If you're happy and you know it, clap your hands!

The Family: [silence]

Mirabel: See?

Alma: You didn't clap either.

Mirabel: ...

Mirabel: Yeah, well, neither did you.

Alma: ...

Mirabel: ...

The Family: ...

Mirabel: Group hug and we all forgive each other?

Everyone: Sounds good to me.

Chapter 27: A Less Brief Explanation Of Their Personalities

Mirabel: For security reasons, I'm going to pretend to be a burglar and you're going to react accordingly.

Mirabel: Everyone ready?

Family: Ready.

Mirabel: If you don't want to die, give me all of your money.

Family: We don't have any money, we get everything for free.

Family: Or technically in exchange for service, actually.

Mirabel: ...if you don't want to die, give me all of your *valuables*.

Alma: I carry no valuables.

Pepa, thunder rumbling: You've fucked around, and now you're about to find out.

Felix: What she said.

Bruno: I'm sorry, but I only carry salt and matches on me. Please don't be mad.

Bruno: Oh, and rats, but I'm not giving those up.

Isabela: Vine whip, go!

Luisa: I throw the bad guy.

Dolores: Go away right now and *maybe* your secrets will remain safe.

Julieta: You look upset, dear, do you want to sit down and talk about this?

Agustin, opening his wallet: I think I still have those coins I found last week, give me a second...

Antonio, smiling sweetly and making his eyes really big: Do you want to meet my jaguar?

Bruno: Wait, miérd- miércoles, I forgot that my rats can bite.

Bruno: Can I change my answer?

Camilo, shifting into Luisa: I throw the bad guy.

Mirabel: You don't have Luisa's strength, primo.

Camilo, shapeshifting into Isabela: I seduce the bad guy.

Isabela: I punch the moron.

Chapter 28: That's It, That's The Movie

Literally every character in the movie: Self-care is suppressing all of your trauma until it comes back and hits you in the face with the force of 7 very large carts.

Chapter 29: Antonio Is A Ray Of Sunshine, Just Ask Pepa

//Mirabel is casually searching around the room

Agustin: Hey sweetie, what're you looking for?

Mirabel: My reason for getting up in the morning.

Antonio: [walks into the room]

Mirabel: Oh, there it is.

Chapter 30: Principles

Camilo: Mirabel, I am nothing if not a man of principle.

Mirabel: I need you to pretend to be me so I can break into Tio Bruno's room and steal a vision he specifically told me I cannot see under any circumstances.

Camilo: Normal you, or having-a-breakdown-so-everyone-is-distracted-comforting-you you?

Mirabel: Go with whatever feels right.

Camilo: This is why I like you, Mira, you understand creative freedom. When should I do it?

Mirabel: Just between lunch and dinner should work, especially if you can keep Tio Bruno from going to his room.

Camilo: Got it.

Mirabel: Thanks.

Camilo: Anytime, prima.

Chapter 31: Therapy

Mirabel: What makes you all smile?

Julieta: Friends and Family.

Camilo: Snacks.

Isabela: Victory and success.

Bruno, panicking: Face muscles?

Chapter 32: The Rats Are Bruno's Confidants And Antonio's Spies

Camilo, watching Casita burn down: ...

Camilo: [starts filming] Waddup, guys, welcome to my vlog, today's topic: how to get away with accidentally committing arson because you forgot Spaghetti O's cans are metal and thus non-microwavable! Step one: deny everything.

Bruno: [wakes up gasping and sweating]

Bruno, relieved: Oh, it was just a dream.

Bruno: ...

Bruno, eyes wide: Dios, por favor, let that not be a prophecy.

Camilo, the next morning: Hey, did you hear that a stall in town is selling something called a 'video phone'?

Bruno: [faints]

Camilo, handing money to Antonio: How in the world did you know that would happen? What even is a 'video phone'?

Antonio, with a rat on his shoulder: Beats me.

Chapter 33: Dolores Snitched On Him

Luisa: [finds Bruno meditating outside around midnight] Tio Bruno.

Bruno: Oh, hey Luis– hey!

Luisa, calmly dragging Bruno towards the house: Go to bed. This is no longer a request, this is now a Threat.

Chapter 34: Future Knowledge Can Be Fun

Pepa, near tears: Please, hermano, I don't speak 'me-am'! I don't know what a 'yeet' is!

Bruno: It's 'meme'. Yeet! [throws himself off the balcony and lands dramatically on a couch]

Chapter 35: Attack Rats

Pepa: Why did you leave Wrestlemania on for the rats?

Bruno: They need to learn how to protect us.

Chapter 36: Siblings

Julieta: How do you want your coffee?

Bruno: Black, like my soul.

Julieta: ...

Julieta: Hermano, your soul is a latte with sprinkles.

Bruno: Ooh, a latte sounds good!

Bruno: But no sprinkles, I'm watching my weight.

Chapter 37: Club Scouts

Julieta: Pepa likes to win. When we were 8, a little Club Scout friend of hers bragged they could sell the most cookies.

Julieta: Damned if my hermana didn't walk the village till she got blisters on her feet, and won by 10 boxes.

Bruno: Best part is, we weren't even in the Club Scouts.

Chapter 38: My Favorite Out Of All Of These, Seriously

Felix: The scariest president had to be Rushmore because he had four heads.

Agustin: Yeah, it's a good thing we captured him in that mountain, even if we have to live in fear of the spell wearing off.

Pepa: Do you two still believe in that legend? Come on, Rushmore was killed a hundred years ago! We're safe now.

Julieta: You people have clearly never taken a history lesson. His body was never found.

Bruno, eyes glowing green: Actually, he escapes about 150 years from now. Don't worry, though, he doesn't reach the Encanto.

Everyone: ...

Bruno, eyes normal: D-did I not understand the game? I'm just joking guys, he's not real, please don't be upset-

Julieta: Hermano, no, that was perfect.

Bruno: Really? Oh, but that means I ruined it just now...

Agustin: Eh, don't worry, we can just talk about his minions frozen on Easter island.

Pepa: How my hermana ever fell for someone so estúpido, I'll never know.

Pepa: Those aren't his minions, they're his eggs!

Felix: Eggs?

Pepa, nodding: Each one will eventually hatch into a four-headed beast, just like him!

Julieta: But who's the mom?

Bruno: Dios mio, hermana, you can't just ask who a statue's eggs' mom is!

Bruno: Obviously it's, uh... Help.

Agustin: The lady liberty!

Everyone: [sounds of agreement and laughter]

Chapter 39: At Least He Gets Some Sleep

Bruno: Julieta, could you make some arepas for Agustin?

Julieta: What happened to him this time?

Bruno: Wait a second. [crash in the distance] He fell off a ladder.

Julieta, running off: *And you couldn't have warned me sooner??!*

Bruno, waving his arms: [deep voice] The future works in mysterious ways.

Pepa: You fell asleep after having your vision and forgot to tell anyone until now.

Bruno: [regular voice] Yep.

Chapter 40: Worrisome

Bruno: Hostage or not, sometimes it's nice being held.

Kidnapper: Are you okay?

Bruno: Perfectly fine, why?

Kidnapper: Just some of the things you say.

Kidnapper: And how thin you are.

Kidnapper: And your skin kind of looks funny...

Bruno: Oh, that's probably just from not getting regular meals or much sunlight for ten years.

Kidnapper: ...

Chapter 41

Julieta: I can't find Pepa.

Bruno: Don't worry, she's fine.

Julieta: How do you know that?

Bruno: I had a vision of her being kidnapped.

Julieta: Dios mio...

Julieta: Those poor kidnappers!

Bruno: Yeah, my heart would really go out to them if they hadn't kidnapped our sister.

Julieta, nodding: Yeah...

Thunder rumbles in the distance

Julieta: Want to help me make cookies for when she gets back?

Bruno: Sure!

Chapter 42: Bruno

Bruno: Why's it called an oven when you of in the cold food and you of out hot eat the food?

Julieta: ...What???

Bruno: It's something I heard in a vision shortly before Mirabel's Gift Ceremony, but I never got the chance to ask you about it and I've been trying to figure it out for over ten years.

Bruno: So?

Julieta: I don't even understand the question.

Bruno: Damn.

Chapter 43: Good Camilo

Pepa: You know, Isabela gives Julieta flowers, I'd like it if you'd do that once in a while.

Camilo: Okay. I can do that.

//Later

Camilo: Tia Julieta, I got you some flowers.

Julieta: Aw, thank you mí sobrino. You're such a good boy [kisses his cheek]

Camilo: I am a good son *and* a good nephew. Score! [pumps fist in the air]

Pepa, watching this unfold: ...I absolutely cannot tell him, can I?

Felix, laughing: Nope.

Chapter 44: And That's It For Now

And that's it for this fic, I hope you enjoyed ☺

Look out for the next installment of Incorrect Encanto, it's coming soon!

Alma, when Casita starts cracking: Well, well, well, if it isn't the consequences of my actions.
