Bruce, setting up the spare room: Would you like to stay forever!?!

Dick and Jason: *making loud, shouty gorilla sounds at each other*

Peter:

Alfred: Sirs, we have a guest.

Tim: Please confirm to your knowledge that you are not a fully robotic being, were born an organic creature, and do in fact possess what many cultures would call a soul.

Peter: What? "To my knowledge"? Do a lot of people not in this world know if they're robots?

Tim: Thank you for your confirmation.

Bruce: We're having a baby.

Peter: Oh, congratu-

Alfred, handing Peter adoption papers: It's you. Please sign here sir.

Damian: You have kidnapped Parker?! That is against the law, Father!

Bruce: But Damian, what's more illegal? Taking in a lost child, or letting him walk aimlessly around with no one to help him?

Chapter 158: And To All A Good Night!

I headcanon Mr. Freeze having a daughter named Snow.

Dick, singing: I don't want a lot for Christmas, there is just one thing I need—

Tim: A lot more coffee.

Jason: A better love life.

Damian: A gaze of Raccoons.

Peter: New web shooters...

Bruce: And have you learnt anything this Christmas, Jason?

Jason: ...Not really.

Bruce: Nothing?

Jason: Tell you one thing I have learnt—Christmas; ultimately, commercial holiday. Who's the real winner at Christmas? Amazon. they have drones now! Tiny little dystopian slaves delivering iPads and headphones. I ordered a toaster; It was on the doorstep five hours later! Do we need that? It was 4.99! For a toaster! I mean, someone's being exploited there.

Tim: And that Mr. Freeze and Snow hold an epic snowball fight!

Jason: That too. They also have hot chocolate at Nora's cryotank while Vic does his research.

Dick, wearing a reindeer hat: They go caroling too! And make intricate gingerbread houses!

Alfred: It is good to see Fries and Snow so happy for once.

Chapter 159: ~Love Is In The Air~

Tim: Valentine's day is just a consumerist holiday that holds no real value other than to drive people insane buying heart shaped chocolates for their significant others and pos-

Stephanie: I wrote you a poem.

Tim, already crying: You did?

Dick, holding out a cookie for Barbara Look! This one's a heart, that's how I feel about you!

Barbara: aww!

Jason, holding out a cookie for Duella: This one's like Michigan, that's how I feel about you!

Duella, throwing her hands in the air: What does that mean?!

Chapter 160: ☹️

Dick: It's Pride Month, you know what that means!

Peter: I get to eat as many Skittles as I want?

Dick: What? No! What has Jason been telling you?

Jason, walking in, pouring Skittles into his mouth: Taste the rainbow, bitch.

Dick, sighs: No.

Dick, grinning: It means Bruce will bring back RAINBOW BATMAN!

Peter: ...What?

Chapter 161: ??

Dick: It's Pride Month, you know what that means!

Peter: I get to eat as many Skittles as I want?

Dick: What? No! What has Jason been telling you?

Jason, walking in, pouring Skittles into his mouth: Taste the rainbow, bitch.

Dick, sighs: No.

Dick, grinning: It means Bruce will bring back RAINBOW BATMAN!

Peter: ...What?

Chapter 162: Game Night!

Damian: There are no friends or family when playing board games. I am here to win.

Dick: See, the problem is, Little Wing, you're playing 3D chess. I'm playing 4D.

Jason: I'm playing checkers. I don't know what the fuck you're playing.

Everyone is playing a board game together

Tim, taking a sip of his coffee: I will put 'A' down to make 'A'.

Damian: I shall add onto your 'A' to make 'AT'.

Dick, smirking at Bruce, who he knew had a B: I will add onto your 'AT'... to make 'RAT'.

Peter: I will add onto your 'RAT' to make 'BIOSTRATAGRAPHIC'.

Jason, who was going to make 'PIRATE': *flips the board*

Peter: Is Jason always like this when he loses?

Dick: Oh, yes. You should've been there for the Great Jenga Tantrum of 2005.

Jason: You bumped that table and you know it!

Dick: You're a lying piece of shit!

Jason: Oh yeah? You're the idiot that thinks you can get away with everything you do, WELCOME TO THE REAL WORLD!

Tim: I'm leaving and I'm taking Peter with me!

Bruce: Aaaaand that's enough Monopoly for today.

Chapter 163: Bets

Bruce: *dies*

Dick: Timer starts now! When is he coming back? I say Three Months!

Jason: Bullshit. Two months.

Damian: You are incorrect. Father will return in one month.

Tim: Nah, half a month.

Peter, sobbing: WHAT ARE YOU DOING? MR WAYNE JUST DIED!

Cassandra, signing: One week.

Chapter 164: Peter Teaching Damian

Peter: That was a joke. Say ha.

Damian: Ha.

Peter: Now do it again.

Damian: Ha.

Peter, genuinely proud: Congratulations, you are officially the life of the party!

at a zoo

Damian: What are they in for?

Peter: Damian, this isn't prison.

Damian: So they can leave?

Peter: No, but-

Damian, pointing at a meerkat: I bet that one robbed someone.

Damian: What type of dog is this?

Peter, helpfully: That's a tortoise.

Damian: are you aware of a turtle's only weakness?

Peter: No... well, their slowness.

Damian: Their weakness is they cannot roll over when they are on their backs.

Damian: Now I have a plan.

Damian: If I duct tape two turtles together, they will be unstoppable.

Peter: Everyone has a toxic trait. Except Damian, he's perfect.

Damian: incorrect! My toxic trait is how badly I would like to domesticate a raccoon.

Peter: What does the doggy say?

Damian: Bow wow.

Peter: What does the kitty say?

Damian: Meow meow.

Peter: What does the Batcow say?

Damian, in deep voice: I'm BatMOOOON.

Chapter 165: Kettle

Damian: Which one of you was going to inform me that tea tastes different if you put it in hot water??

Tim: Y- you were putting it in cold water??

Jason: Damian. Answer the question, Damian.

Damian: Yes??? I was under the impression that people simply put it in hot water to speed up the tea-ification process. I wasn't aware there was an actual purpose.

Damian: also, are you under the impression that I have the patience to boil water?

Tim: You don't have the patience to microwave water for 3 minutes??

Jason: Why are you putting it in the microwave to boil it?

Tim: Do you think I have the patience to boil water on the stove?

Jason: It takes less than a minute.

Tim: Is your stovetop powered by the fucking sun???

Jason: How long does it take you to boil a cup of water on the stove?

Tim: Like seven minutes??

Dick: Just stick the mug on top of the stove on medium heat and it boils in like 2 minutes... less than that if you use a saucepan!

Jason: Why are you putting the whole mug on the stove?? On medium heat?? Dick? Your stove is enchanted!

Damian: Every one of you is insane.

Peter: ...Do none of you own a kettle?!

Chapter 166: Air Fryer

Dick: I didn't know that air fryers are a real thing. Used to think that they were made up by the internet as a funny joke and that their purpose was to "fry air".

Jason: WAIT, BUT IT FRIES THE AIR TO FRY THE FOOD??

Dick: I DIDN'T KNOW IT WAS A KITCHEN APPLIANCE, MY FIRST ASSUMPTION WAS SOMETHING AKIN TO AN AIR CONDITIONER!

Tim: IT'S NOT LIKE AN AIR CONDITIONER????

Peter: You guys clearly don't own an air fryer.

Chapter 167: One, Two, Three, Four, Five!

Everyone is at Dick's house

Tim: Ohhhh we each get our own oven?

Dick: ...N-No...

Dick, laughing: How many ovens do you think I have???

Tim, motioning to the kitchen: Three, I thought!

Damian: I see a-

Dick, motioning to one device: This is a microwave.

Tim: Oh, well I-

Dick: Hey, wait wait, actually- hang on- *fiddles with the buttons on the microwave*

Dick, amazed: Its got a bake setting!

Jason: Ohoho, you learn something new every day!

Peter: Do we- Do we roshambo for who gets to pick first?

Dick: Now I've discovered more ovens than I thought, we don't have to roshambo nothin'!

Dick: I am someone who owns four ovens...

Dick, louder and way too happy: I am someone... who owns FOUR OVENS...

Cassandra, pointing to another appliance and signing: Also, the toaster oven.

Dick:

Tim: Ohhh, toasty boy! Four- Five ovens!

Dick:

Dick, ecstatic: I AM SOMEONE WHO OWNS FIVE OVENS.

Chapter 168: Jason Teaching Peter

Peter: Hey, are you free?

Jason: No, I'm expensive.

Peter: Are you BUSY?

Jason: Yes.

Peter: Cool, listen to this.

Jason: The path to inner peace begins with four words... not my fucking problem.

Jason, talking to Peter: "Ladies and gentlemen" is unnecessarily gendered, overly formal, lengthy, and honestly, I'm falling asleep already. "Cowards" on the other hand, is inclusive to all genders, to the point, and dramatic.

Jason: Blackmail is such an ugly word. I prefer extortion. The X makes it sound cool.

Peter: I love sarcasm! It's like punching people in the face, but with words!

Jason: I'd rather just punch them, but okay.

Jason: Oh, here's my award for the most rules broken!

Peter: That's not an award, it's an angry letter from Mr Wayne.

Jason, hanging it on his wall: Well, it has the word 'most' in it, so I'm calling it an award!

Peter: *cooking*

Jason: *kicks down door*

Jason: *grabs knife from Peter's hand*

Jason: WHAT DID I TELL YOU ABOUT DESTRUCTIVE BEHAVIOR?

Peter:

Peter: What.

Dick: He's trying to tell you he wants to cook.

Peter: You know, studies show that keeping a ladder in the house is more dangerous than a loaded gun.

Jason: That's why I own a HUNDRED AND TWENTY FOUR guns.

Jason: Just in case some maniac tries to sneak in with a ladder.

Jason, sticking his head into the room: Did you know spiders can hold 8 guns at once?

Tim: How does it WALK??

Jason: I don't know how he does it!

Dick:

Dick: 'He'?

Peter, from the other room: I just use my web slingers! Like thi- oh shit! I dropped one!

Jason, looking back into the other room:

Jason: Did you know spiders can hold 7 guns at once?

Dick: Jason! What did you DO?!

Jason: Calm down! They're not loaded!

Jason: There's no "I" in team, but there is one in pizza.

Peter: So, you're not going to share?

Jason: I'm not going to share.

Chapter 169: Rogues, Meet Spidey!

Peter: Its hard to resist, I'm really sorry- I mean, considering your approach so far, you had me tied here for- what? Hours? And you haven't even had me confirm what exactly I am!

Riddler: What are you then?

Peter: I'm a Leo!

Peter: Yum, thanks!

Riddler: *puts more tape over their mouth* I said stop eating it!

Penguin: You seem familiar... have I threatened you before?

Peter, taking a minute to think about it: Not that I'm aware of!

Penguin, smugly, after security arrives to escort Peter and Tim out: So, do you wanna walk out of here or do you wanna be carried out?

Tim, in defeat: Let's go.

Peter: Wait.

Tim: What?

Peter: I'd kinda like to be carried out...

Peter: Hey, aren't you Catwoman?

Selina: You a cop?

Peter: No..?

Selina: Then yes, I am.

Chapter 170: I Fucking Wonder

Tim and Stephanie are flirting with each other yet again

Peter: And you two are sure you're not dating?

Stephanie: 100%.

Tim: Of course not! Why would you think that?

Jason: I wonder why that possibility would even cross his mind, Timmy. I fucking wonder.

Chapter 171: We Can Be Heroes

Peter: Watch Sharkboy and Lavagirl with her.

Tim: Okay.

Peter: And make out during the scary parts.

Tim: Th-

Peter: The scary parts.

Tim: Of Sharkboy and Lavagirl.

Chapter 172: Truth

Dick: Jason, let's go!

Jason: Oh, yeah, about telling Bruce and Alfred, I was thinking about writing... maybe a letter?

Dick: Okay, you know what? That's it, you had your chance.

Jason: What-?

Dick: Bruce, Alfred, Jason crashed the Batmobile!

Jason: You are such a tattletale!

Jason: Bruce, Alfred, you remember that time you walked into my room and found a stray cat? Well, I told you it was Damian who snuck her in, but... It was me. I'm sorry.

Dick: And Bruce, you know that engineer that you fired? He didn't steal your Bater-angs, Jason did.

Jason: Yeah, well, hurricane Gloria didn't break the porch swing, Dick did.

Dick: Jason hasn't worked for a year!

Jason: Dick and Barbara are living together!

Dick: Jason told the Press that Bruce Wayne is Batman's sugar daddy!

Tim: I love Stephanie Brown!

Damian: I wasn't supposed to put broccoli in the pancakes!

Peter: I wanna gooo!!

Chapter 173: Judge All You Want, But

Tim, to Alfred: Fine! Judge all you want, but...

Tim, points at Dick: Married a hacker.

Tim, points at Jason: Fell in love with a criminal!

Tim, points at Bruce: Walks around in a bat suit.

Tim, points at Peter: jumped into some random portal he saw!

Tim, points at Damian: brought home a box of wild racoons!

Chapter 174: Flowers

Duela: You know, Dick gives Barbara flowers everyday, I wish you'd do that too.

Jason: Okay.

Later

Jason: *gives Barbara flowers*

Barbara: uh..?

Jason: I don't know, I'm confused as well.

Chapter 175: ☒

Peter: So you're dating Barbara?

Dick, sarcastically: What? No! I'm just buying her an accessory since she has a terrible fashion sense.

Peter, confused: That's literally a wedding ring..?

Chapter 176: I Am Tim, And I Approve This Message!

Jason: I never said I was gonna get back together with her. But I was thinking, she's in town, would it be the worst thing in the world if I gave her a call?

Dick: No. No, Little Wing, it wouldn't be the worst thing in the world. It would be the fourth worst thing. Number one: a super volcano. Number two: an asteroid hits the Earth. Number three: All the Now You See Me movies are lost. Number four: Jason calls Duella. Number five: Tim gets abducted by aliens.

Tim: I'm Tim, and I approve the order of that list.

Chapter 177: Musical Chairs

The kids are gathered in the living room for a meeting

Duela: *walks in and sits on Jason's lap*

Everyone: ...

Peter: Why are you sitting there?

Duela: There's no free seats!

Peter: But we made sure there was enough room for-

Jason: *hugs Duela tightly* There are no free seats.

Chapter 178: Yes, Yes She Did

Peter: H-how do you ask someone out?

Dick: Well, first-

Barbara: Don't ask him, he asked me out in a police station, while being arrested.

Peter: ...And you said yes?

Chapter 179: Single

Peter: Do you mind if I slyly mention that you're single?

Tim: Do not do that.

Peter: You won't even notice!

Stephanie, entering: Peter, you wanted to see me again?

Peter: Tim's single

Tim:

Chapter 180: Talk Dirty~

Jason: Talk dirty to me, baby~

Duela: The dishes.

Jason: Wh-

Duela: They've been there for 4 days and it's your turn to wash them. You still haven't cleaned them and I have asked you to do so several times.

Chapter 181: High Standards!

Jason: I have very high standards, you know.

Duela: I can make spaghetti...

Jason: Oh no! You're meeting all my standards!

Chapter 182: Smooth

Tim: How do you know how to kiss? Like who teaches you?

Stephanie: Well it's actually a class, but unfortunately it's full right now.

Stephanie: Would you like me to tutor you?

Peter: That was smooth.

Chapter 183: Romantic

Jason: A fistfight CAN be romantic.

Chapter 184: ♀

Stephanie: I've been dropping him the most insanely obvious hints for like a year now.
No response.

Tim: Wow. He sounds stupid.

Stephanie: But he's not. He's really smart actually. Just dense.

Tim: Maybe you need to be more obvious? Like, I don't know... "Hey! I love you!"

Stephanie: I guess you're right. Hey Tim, I love you.

Tim: See! Just say that!

Stephanie: Holy fucking shit.

Tim: If that flies over his head then, sorry Steph, but he's too dumb for you.

Stephanie: Tim.

Chapter 185: Spoilers!

Tim: Guys, I've been meaning to tell you... Steph and I are dating.

Stephanie, Peter, and Dick: *gasp*

Everyone else: *general noises of knowledge*

Tim: Steph, why are you surprised?!

Stephanie: I wanted to SPOIL it!

Chapter 186: Don't Tell Me

Alfred: Oh Master Jason, you have a visitor.

Dick: Don't tell me it's Duela.

Alfred: It's Miss Duela.

Chapter 187: Time Is Non-Linear

Jason: If Duela says she'll be ready in five minutes, she will be.

Jason: No need to remind her every fifteen minutes about it.

Chapter 188: Dating!

Jason: Duela and I are no longer friends.

Duela: JASON THAT IS THE WORST WAY TO TELL PEOPLE THAT WE'RE DATING!

Chapter 189: Maybe Babies

//FIGHTING RIDDLER//

Dick: What if the person who named Walkie Talkies named everything?

Dick: Pregnancy tests are Maybe Babies.

Tim: Socks are Feetie Heaties.

Cassandra, signing: Defibrillators are Heartie Starties.

Jason: Nightmares are Dreamy Screamies.

Peter: Stamps are Lickie Stickies.

Riddler: I hate you guys so much.

Riddler: *gets knocked out by a Baterang*

Damian, out of nowhere: Batie Wackies.

Jason: What's got Maybe Babies on your mind anyway, Dick?

Dick, nervously: ha, I should probably get Riddler to Arkham before he wakes up.

Bye!

Dick, picks up Riddler and runs for it.

Chapter 190: Escape

//IN BLUDHAVEN//

Barbara, pointing to Dick's empty room: YOU LET HIM ESCAPE?!?

Jason, who was supposed to be making sure he didn't do superheroing while his leg was broken: I WAS ON BREAK!

Chapter 191: ~Baby, I've Been Loving Losing Sleep~

Jason: Ooh, somebody has a crush~

Tim: Pfft, I don't have a crush on Stephanie I just think she's cool, it's not like I stay up at night thinking about her!

Later that night

Tim, very much awake: Uh oh.

Chapter 192: Memory Person

Trying to cheer Jason after a break up

Dick: You broke up with Duella for a reason.

Jason: I know, I know. I'm just so tired of missing her. Tired of wondering why she haven't called. Why haven't she called?

Tim: Maybe because you told her not to?

Jason: What are you, the Memory Person?

Chapter 193: Wedding Bella 2

AT DICK AND BARBARA'S WEDDING:

Jason: What the hell were you thinking?

Peter: I heard releasing birds at a wedding is romantic!

Jason: You released OSTRICHES!

Barbara: You don't think I can fight because of my gender!

Bruce: I don't think you can fight because you're in a wedding dress. For what it's worth, I don't think Dick can fight in that dress either.

Dick: Perhaps not. But I would make a radiant bride.

Chapter 194: ??

Jason: Did Duella just tell me she loved me for the first time?

Tim: Yeah, she did.

Jason: And did I just do finger guns back?

Tim: Yeah, you did.

Chapter 195: ~Hush, Little Baby~

Dick holding his baby

Jason: Oh God, I can't believe one of us actually has one of these.

Damian: I know, I am still one of these.

Chapter 196: Past

talking about Poison Ivy, during her debut

Harvey: She is beauty.

Bruce: She is grace.

Dick, running into the room: SHE CAN DESTROY THE HUMAN RACE!

Young Jason, grinning: I have a knife!

Bruce: Put it down, Jason.

Jason: Make me! *sprints away*

Young Jason: We're going to a candy store?!

Bruce: No! It's nighttime, candy stores are closed.

Young Jason: We're gonna ROB a candy store?!?!

Bruce, sighing: No-

Bruce: It's called cauliflower, not ghost broccoli.

Young Jason, eyes wide: I know what I saw.

Young Jason, after getting a library card: Now I know what true power feels like.

Alfred: Master Dick, what do we say when making bread?

Young Dick, glumly: That's the dough rising.

Alfred: And Master Jason, what do we NOT say?

Young Jason, sadly: That's the yeast fucking.

Young Jason, reading his school assignment out loud: I love my library because...

Young Jason, mouthing words while writing: I love reading, fuck you.

Young Jason: I am your king, long may I reign!

Young Dick: Well I didn't vote for you!

Young Jason: You do not vote for kings.

Young Dick: Well how'd you become king then?

Young Jason: Lady Katrina of the Lake, her arm clad in the purest shimmering samite, held aloft Excalibur from the bosom of the water, signifying by divine providence that I, Jason Todd, was to carry Excalibur. That is why I am your king.

Young Dick: Listen. Strange people lying in ponds distributing swords is no basis for a system of government. Supreme executive power derives from a mandate from the masses, not from some farcical aquatic ceremony.

Redhoodmite (Tim), writing in his diary with a glitter gel pen after Jason died: I'm losing my sense of humanity. Nothing matters. God is dead.

Chapter 197: Jon's Visiting!

Peter: For most of human history, vehicles had automatic collision avoidance and could even take you home if you were asleep or tired. But then we got rid of the horse.

Jason: You stupid fucking idiot. "Cars would be better if they could bite and shit" – that was you just now.

Jason: "Wouldn't it be cool if cars could piss? Wouldn't it be cool if cars could fuck?" Fuck that shit.

Tim: It would be cool if cars could fuck.

Jon, who's visiting Damian: We... We still have horses...?

Jon: English is CRAZY. Oregano is both a spaghetti leaf topping and a form of paper art!

Damian: What is this "paper art" you speak of?

Jon: That thing where you make cranes and stuff out of folded paper!

Damian: ... Jon.

Damian: I have become a bread crumb dealer to four crows at the lake. They pay me with a bit of everything. Like shiny things, fabric, or pens. But recently they paid me with a 20 dollar bill they found somewhere. So I decided to buy them some more expensive bread. They loved it. So they understand what to do. Give me money. I have likely racked up around 200 dollars at this point. Is it morally wrong though, I mean. They are the ones who steal the money from others. Or perhaps they just have a big pile laying somewhere. Should I keep on doing this?

Jon: You sound like the start of a Gotham villain.

— end of "Bats, Birds, and Spiders" —
