I challenged myself to write a poem that could be about either Discord or Liquidator equally.
How'd I do?

Any part you're confused about? Comment and I'll clarify!
Who do you think the poem fits best? The Master Of All Liquids, or The Lord/Spirit Of Chaos?

Eyes of stone, yet I see

Ears of stone, yet I hear

Feet of stone, I am still

Heart of stone, yet I feel

Every second, ticking away

Day fades to night, back to day

Creatures come and stop and stare

Not a one knows I'm there

Was it worth it? I must ask

Though mouth of stone will do no task

My revenge, my rule, my crime, my fun

Now I'm bound 'neath burning sun

Eyes of stone, I see it all

Ears of stone, I hear it all

Feet of stone, still I'll stay

Heart of stone, night and day

Creatures come and stop and stare

Not a one cares I'm there

I feel my freedom ebbing near

Not soon enough, I must fear

Mind of stone, and yet I think
I plot, I scheme, my mercy shrinks
I scream and plead, through mouth of stone
Please don't leave me all alone

On garden's path I stand guard
Changing form now still and hard
I swear my enemy shall never beat
Me again, when next we meet

Freedom's such a fickle thing
When it's there, you soar and sing
Perhaps quick revenge was not best
So soon I'm back to stonebound rest

I scream and plead through mouth of stone
My mind cries out, I'm all alone
I feel my freedom ebbing near
Please, just GET ME OUTTA HERE!
