A poem that isn't necessarily about Discord, but was inspired by him. I hope you enjoy! 😊

Chaos can be a very bad thing, but it can as well be a good thing, right?

The winds of chaos

Bring scents of change
A world once known
Becomes wild and strange

The winds, the winds
Oh, how they blow
They cross your path
They change what you know

They carry a promise,
A warning, a threat
Of destruction, confusion,
Disaster! And yet...

Of change, of hope,
Of something new
Adventure, and freedom
Which, is up to you

The winds, the winds
Oh, how they blow!
They uproot your path
And change where you go

The winds of chaos bring scents of change
A world once known becomes wild and strange
